

Digital Alchemy 624 Matthews-Mint Hill Rd. Suite 214 Matthews, NC 28105

> PO Box 3337 Matthews, NC 28106

980-277-1978

In order to reduce charge backs, it is necessary to have a completed credit card authorization form as shown below. Also, it is critical to capture an AVS (Address Verification System) match when processing the transaction. Entering in the billing zip code of the cardholder captures AVS. Submitting the cardholder's address and CVV code lowers risk further. When applicable, a proof of delivery is required.
